Many small avalanches in Tepee Basin

Tepee Basin
Southern Madison
12/15/2021
Code
SS-N-R1-D1-O
Aspect
E
Latitude
44.90410
Longitude
-111.18500
Notes

There were many natural avalanches that were breaking on facets near the ground (4-6mm). The 3 feet of snow that fell created unstable conditions and avalanched during the **HIGH** danger. Most slides were less than 100 feet wide. By GNFAC.
