Darren Johnson Avalanche Education Memorial Fund

Darren Johnson, 34, a professional six-year ski patroller at Yellowstone Club, was killed in an avalanche on January 19, 2016. He was on-duty and helping a graduate student collect snowpack data the day of the accident. Darren was passionate about snow, avalanches and patrolling and the purpose of this memorial fund is to financially help ski patrollers attend the biennial National Avalanche School and concurring field sessions, Phase I and II.
